

Look at what we've been up to

- **February**, we collaborated with Prama to set up a new group called Saturday Friends for people living on and around Canford Heath who wanted more connections so as not to feel lonely or isolated.

- **April**, we worked with St Paul's Church to organise a fundraising event in aid of Ukraine.

- **June**, we had a joint venture with the Pilot Pub to organise the Canford Heath Platinum Jubilee Street Party.

- **August** saw the installation of 4 Art boards we had commissioned across both shopping centres and around this time we funded and installed two additional benches, one in each centre.

- **October**, we put up more poppies on lamp posts than ever before as part of Canford Heath Remembers.

- **December**, we collaborated with Canford Heath Community Centre, Beacon Church and the Pilot Pub to organised the Community Christmas Lights Switch-On event and helped with the Community Christmas Hamper appeal.

- **Throughout the year** we ran various fundraising events including quiz nights and, in the summer, we went out and about to various fairs on the heath to meet people and promote ARCH.

WE COULDN'T HAVE DONE ANY OF THIS WITHOUT OUR WONDERFUL VOLUNTEERS AND COMMITTEE MEMBERS, SO A HUGE THANK YOU TO YOU ALL.
